Comprehensive and Clean solutions

LED Products

LED Downlights

5W DOWNLIGHT

- Input - 350mA, 14-18V
- Dimension - D100/L40
- Cut-out - 85mm
- Lumens - 400lm
- Aluminium heat sink housing with external power supply

LED Downlights

7W DOWNLIGHT

- Input - 350mA, 20-25V
- Dimension - D114/L40
- Cut-out - 95mm
- Lumens - 550lm
- Aluminium heat sink housing with external power supply

LED Downlights

10W DOWNLIGHT

- Input - 350mA, 27-30V
- Dimension - D146/L53
- Cut-out - 130mm
- Lumens - 875lm
- Aluminium heat sink housing with external power supply

LED Downlights

15W DOWNLIGHT

- Input - 350mA, 40-46V
- Dimension - D196/L63
- Cut-out - 175mm
- Lumens - 1300lm
- Aluminium heat sink housing with external power supply

LED Downlights

20W DOWNLIGHT

- Input - 350mA, 52-57V
- Dimension – D249/L96
- Cut-out - 210mm
- Lumens - 1600lm
- Aluminium heat sink housing with external power supply

LED Strip

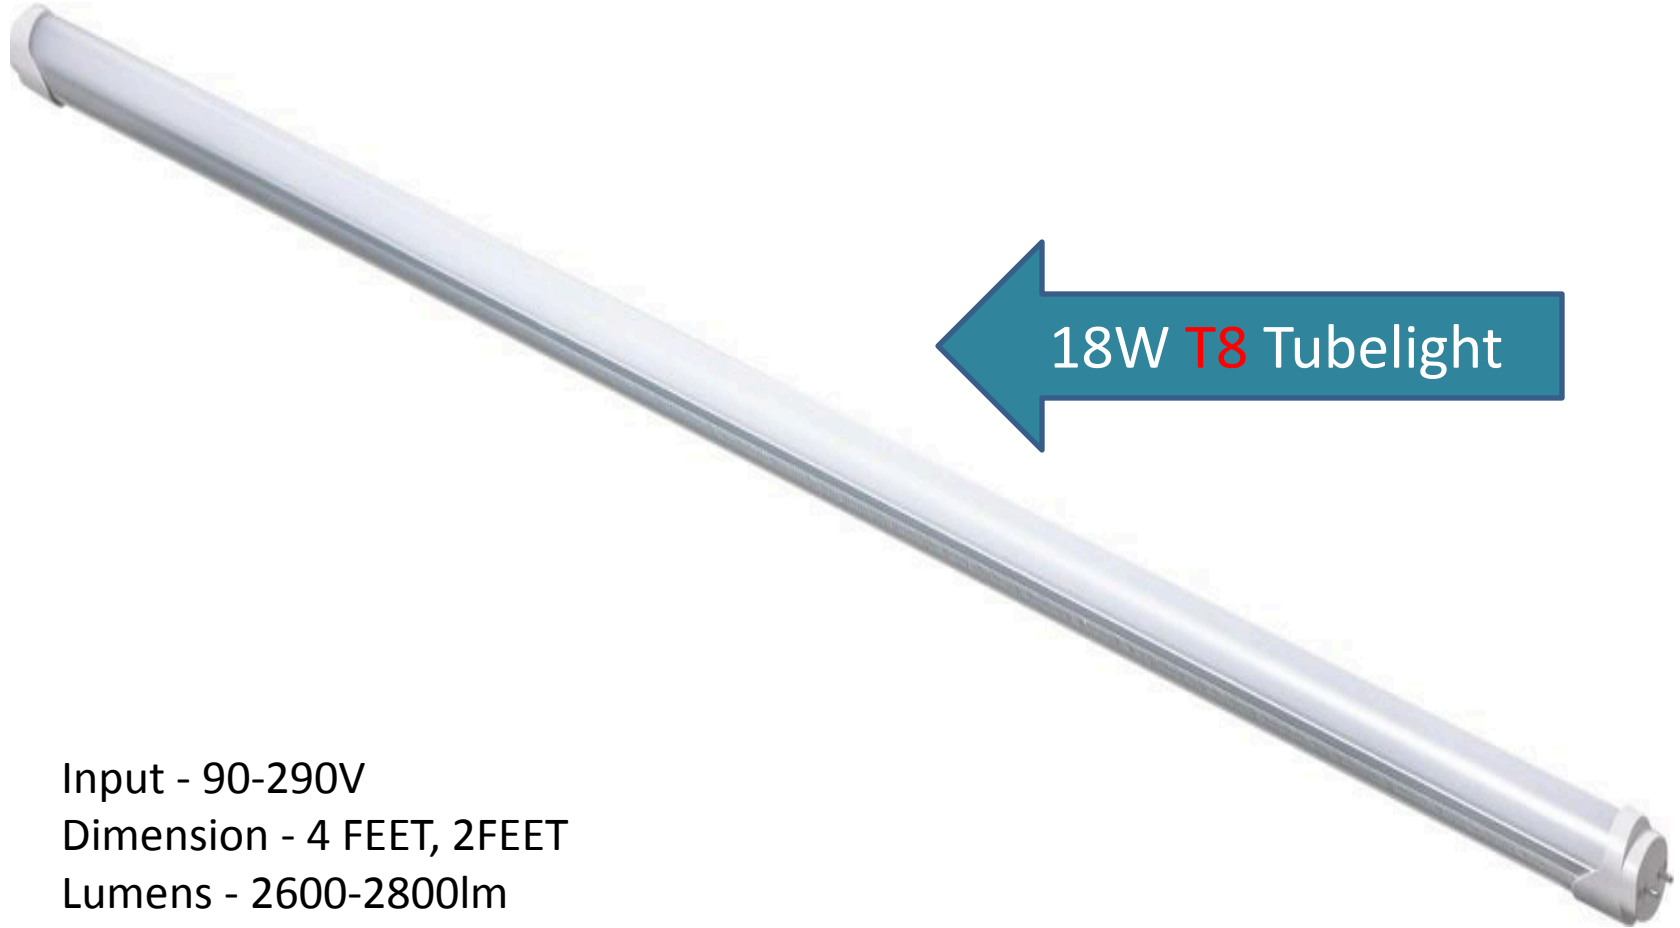

Input - 267mA, 12V

Dimension - 30*2*1 (1 FEET)

Lumens - 375lm

Aluminium heat sink housing
with external power supply

LED Tubelight

Input - 90-290V

Dimension - 4 FEET, 2FEET

Lumens - 2600-2800lm

Aluminium housing with
internal power supply

LED Tubelight

14W T5 Tubelight

Input - 90-290V
Dimension - 4 FEET, 2FEET
Lumens - 1400lm
Aluminium housing with
internal power supply

LED Panel Light

2x2 Panel Light

Input - 90-290V

Dimension – 2x2 FEET

Lumens - 112lm/W

Aluminium housing with
external power supply

LED Bulb

3W, 5W

7W

Power – 3W, 5W, 7W

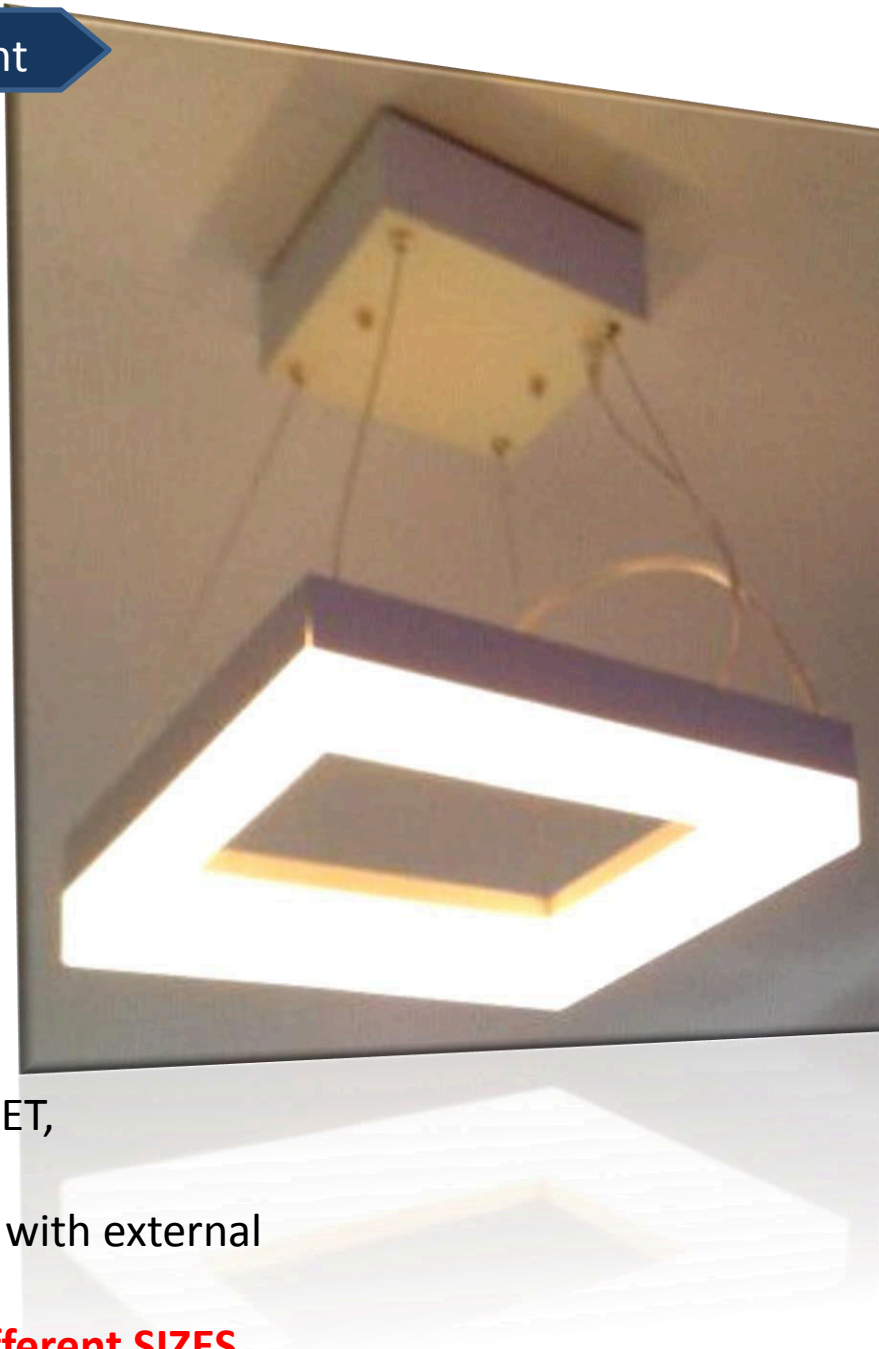

Input - 90-290V

Lumens – 112lm/W

Aluminium housing with
internal power supply

LED Hanging Light

26W Hanging
Light

Input - 90-290V
Dimension – 1X1 FEET,
Lumens - 2500lm
Aluminium housing with external
power supply

Also available in different SIZES
